Forecast for Monday 21 Nov 2022

Weather: Dry conditions with long clear periods lead to a cold start to Monday. Sunny periods and dry conditions continue into the morning and most stay dry in the afternoon though scattered showers may drift into the east of the area in the afternoon, these falling as snow above 700m.

Chance of cloud-free hill tops above 800m: 80% lowering to 40% especially in the east

Low cloud and visibility: Visibility will be good with small amounts of cloud at first but occasional broken cloud at 750m in the east in the afternoon. Visibility will fall moderate perhaps poor in any showers in the east in the afternoon.
